Transcribed by Eric Beaulé

Table of Contents

Boston first album was written and mostly recorded in Tom Scholz basement studio many years prior to its release. Scholz wrote or co-wrote every song on the first album, with the exception of "Let Me Take You Home Tonight" written by singer Brad Delp. Scholz recorded, engineered and played virtually all of the instruments, including the bass, except on "Let Me Take You Home Tonight" and "Foreplay" which were played by Fran Sheehan. Scholz favored a Gibson EBO with a Fender Jazz pickup and played it with a pick. His bass playing is melodic and rhythmically interesting.

All transcriptions found in this book are based on the original isolated bass tracks, except for "Let Me Take You Home Tonight".
