The 4 Chord Song 1 - 5 - 6 - 4 Progression

The 1 - 5 - 6 - 4 progression is today's most popular chord progression being used in thousands of songs. I have listed a few examples in various styles and genres but you can get a more complete list at the lesson support site. I call it the "4 Chord System" because once you learn this progression you will be able to play hundreds of songs.

C - 1

G - 5

A - 6

F - 4

Finger: 3

∇ □ ∇ □ etc.

1

Songs Using the 1-5-6-4 Progression
